mary. mary,
where you goin' to?

m'ary, mary,
can I go too?

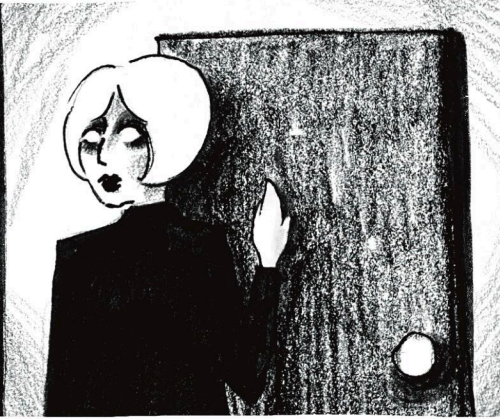

this one thing
I will vow ya:

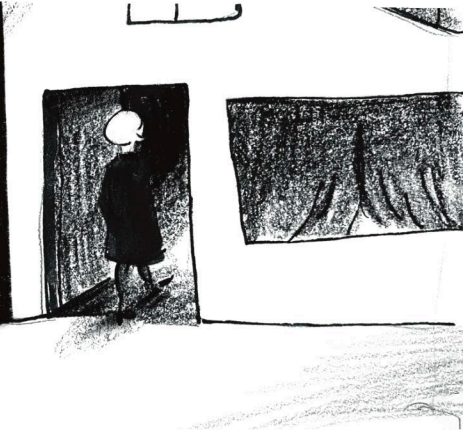

I'd rather die
than to live without ya

m'ary, mary, where you goin' to?

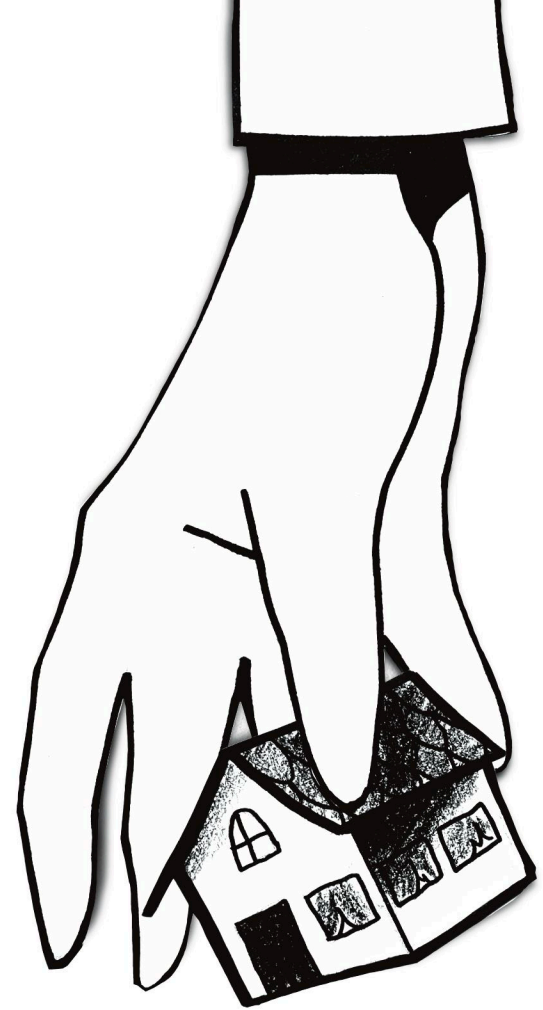

mary, mary,
tell me trufy

what did I do to make
you leave me?

whatever it was
I didn't mean to
you know I never would
try and hurt you

mary, mary,
where you goin' to?

what more. mary,

can I do

to prove my love

is truly yours?

I've done more now

than a

clear, thinkin man

would do

mary, mary,
it's not over

where you go,
I will follow

til I win your love again

and walk beside ya

but until then
